

## Postdoctoral project Submission criteria

Candidates can **submit their own project**, providing that they meet the application criteria (see below) and that their application is supported by the host lab(s).

These projects can be submitted until **November 30** at the following address:  
[postdocproject@centuri-livingsystems.org](mailto:postdocproject@centuri-livingsystems.org)

### *Criteria*

Postdoc projects must meet the following conditions:

- Be interdisciplinary (e.g. Physics/Biology, Computational sciences/Biology, Maths/Biology)
- Include at least one biology team
- Include at least one team located in Luminy
- Be supported by the host lab(s)

Co-direction or close collaboration between two teams from different disciplines will be favored.

### Calendar – dates

- Project submission: **October 16 – November 30, 2018.**
- Application: **October 16 – November 30, 2018**
